REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. The Applicant's Amendments and Accompanying Remarks, filed November 5, 2009, have been entered and have been carefully considered. Claim 1 is amended, claim 4 is cancelled and claims 1, 5, 11 – 27 and 30 – 32 are pending. The amendment to the Specification is accepted and entered as the amendment has support in originally filed claim 12.
3. In view of Applicant's amendment to claim 1, the Examiner withdraws the rejection as being unpatentable over Browning (WO 02/078568 A1) as detailed in paragraphs 3 - 6 of the Office Action dated August 17, 2009. As noted in the previous Office Action dated August 17, 2009, the prior art of record fail to teach or suggest that the reinforcing material which is a warp knitted fabric in the form of a mesh with diamond-shaped pores or hexagon pores is *embedded entirely* in the gelatin film and the reinforcing material and gelatin film are integrated due to gelling of gelatin that has *infiltrated entirely* in an internal part of the reinforcing material. Applicant has not introduced this limitation into the independent claim 1. Browning et al. teach a mesh and a coating where the coating can encapsulate the mesh or applied to at least one face of the mesh (page 12, lines 10 - 14). Browning et al. specifically note that the mesh/knit has pores in between the mesh/knit strands to further aid tissue in-growth between the members (page 10, lines 1 – 4). Although a reasonable case can be made that the coating would partially infiltrate the mesh when applying the film to the surface or encapsulating the mesh but it would not be embedded entirely or infiltrated entirely as it

would interfere with the tissue ingrowth. An updated art search did not produce any new substantial art for which to base a rejection and presently no motivation exists to combine references to render the claimed invention obvious.

4. As such claims 1, 5, 11 – 27 and 30 – 32 are found to be allowable over the prior art of record.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JENNIFER A. CHRISS whose telephone number is (571)272-7783. The examiner can normally be reached on Monday - Friday, 8:30 a.m. - 6 p.m., first Friday off.
